# BuckleGarde Pat. Pend.

Bridging the gap between verbal and aggressive restraints

## Product Disclaimer

The BuckleGarde is a security cover that surrounds the safety buckles used in medical and paramedical transport, deterring the patient from actuating the push button and releasing the buckle. Its sole purpose is to provide deterrence. Any other use of the BuckleGarde, either implied or otherwise, is not the intent purpose of the BuckleGarde and is therefore not the responsibility of Garde Systems LLC. The user is responsible for evaluating and determining whether the BuckleGarde is suitable and appropriate for a particular use and intended application, and complies with all applicable laws, regulations, standards, and guidance. The BuckleGarde should be removed as soon as the qualified healthcare providers caring for the patient feel it is safe, and only be used when the healthcare providers deem it is appropriate.

## Limited Remedy

If a BuckleGarde is defective, your exclusive remedy and Garde Systems LLC's or seller's sole obligation will be, at Garde Systems LLC's option, to repair or replace the product or refund the purchase price.

## Limitation of Liability

Except where prohibited by law, under no circumstances, including but not limited to negligence, will Garde Systems LLC, or its employees be liable for any claims, special or consequential damages, costs or cause of action that result from the use of, or the inability to use, or that you may in the future have as a result of injuries or damage sustained or incurred from the use of the BuckleGarde. In no event shall the total liability to you by Garde Systems LLC or their respective licensors or suppliers for all damages, losses, and causes of action (whether in contract, tort or otherwise) exceed the amount paid by you to Garde Systems LLC.
